

| Art.No.   | article name                                                          |
|-----------|-----------------------------------------------------------------------|
| 109005007 | STANDARD - Kombination Universalschalter MSK Steckdose, colour: black |

STANDARD - surface mount, combination universal switch (off and change-over switch) and earthed socket outlet with central earth contact, without shutter, 10AX/16A, 250V~, IP20, colour: black

| Technical data                    |                     | 109005007 |
|-----------------------------------|---------------------|-----------|
| Connection type                   | Push-in clamp       |           |
| Number of units                   | 2                   |           |
| Frequency                         | 50 - 50             |           |
| Eject-mechanism                   | no                  |           |
| Material                          | Plastic             |           |
| Rated fault current               | 0.00 A              |           |
| Type of fastening                 | Mounting with screw |           |
| With lighting                     | no                  |           |
| Transparent                       | no                  |           |
| With miniature fuse               | no                  |           |
| Number of active pins (round)     | 1                   |           |
| Number of active pins (flat)      | 0                   |           |
| Compatible with Apple HomeKit     | no                  |           |
| Compatible with Google Assistant  | no                  |           |
| Compatible with Amazon Alexa      | no                  |           |
| Nominal voltage                   | 250 V               |           |
| Mounting method                   | Aufputz             |           |
| Method of operation               | Rocker              |           |
| Colour                            | Black               |           |
| Model                             | Grounding pin       |           |
| Halogen free                      | yes                 |           |
| Surface protection                | not applicable      |           |
| Number of socket outlets          | 1                   |           |
| Over voltage protection           | no                  |           |
| Fault current protection          | no                  |           |
| Nominal current socket outlet     | 16.00 A             |           |
| RAL-number (similar)              | 9005                |           |
| IFTTT support available           | no                  |           |
| Material quality                  | Thermoplastic       |           |
| Type of USB power supply          | not applicable      |           |
| Type of socket outlet             | Earthing pin        |           |
| Mounting direction                | Horizontal          |           |
| Surface finishing                 | not applicable      |           |
| Suitable for degree of protection | IP20                |           |
| Type of switch                    | Two-way switch      |           |
