

Art.No. article name

152425001 Light plastic insulated cable, 3-core, colour: black

Medium plastic insulated cable, H05VV-F 3Gx1mm², 3-core, ring 25m, black

Technical data

152425001

Nominal cross section conductor	1.00 mm ²
Nominal voltage U	500 V
Nominal voltage U0	300 V
Number of cores	3
Outer diameter approx.	7.0 mm
Material core insulation	Polyvinyl chloride (PVC)
Core identification	Colour
Packaging break	N
