

| Art.No.   | article name   |
|-----------|--|
| 181605010 | 3-fold solid rubber earthing contact coupling, with splash water protection cap and bend protection sleeve, heavy-duty design, for cable cross-sections up to 3x2.5mm <sup>2</sup> , colour: black |

All-rubber earthing contact coupling, 3-way, with splash-proof cap and bend protection sleeve, heavy-duty design, break-proof, impact-proof, dimensionally stable even under the toughest conditions, cap and insert: rubber, for cable cross-sections up to 3x2.5mm<sup>2</sup>, protection IP44, colour: black

| Technical data                          | 181605010                |
|---|--------------------------|
| Number of poles                         | 3                        |
| Material                                | Rubber                   |
| Nominal current                         | 16.00 A                  |
| Nominal voltage                         | 250                      |
| Colour                                  | Black                    |
| Halogen free                            | no                       |
| RAL-number                              | 9017                     |
| For heavy conditions (according to VDE) | yes                      |
| Suitable for protective contact pin     | no                       |
| Degree of protection (IP)               | IP44                     |
| Material quality                        | Polyvinyl chloride (PVC) |
| Degree of protection (NEMA)             | Other                    |
| NEMA designation                        | not applicable           |
| Connection system                       | Screw connection         |
| Angle of plug                           | Straight                 |
| With quick-lock                         | nein                     |
| With voltage indication                 | nein                     |
