

Art.No.	article name
192200011	Alternating current meter, regenerated, uncertified

Power meter, 250V~ regenerated, uncertified, 10/30A

Technical data	192200011
Max. current (Imax)	30.00 A
Number of positions total (counter)	6
Calibrated	no
Measurement type load profile	no
EEC40 signature	no
With lock code	no
Nominal current (In)	10.00 A
Escapement mechanism	yes
Type of indication	Analogue
Tariff control	Internal
Pole type	Single phase
Type of meter	Electromechanical
Type of interface	LON bus
Tariff type	One-tariff
Packaging break	N
