

Art.No.	article name
192201012	Alternating current meter, with protection contactadapter, regenerated, uncertified

Power meter with adapter, 250V~ regenerated, uncertified, 10/30A

Technical data		192201012
Max. current (I _{max})		30.00 A
Calibrated		yes
Nominal current (I _n)		10.00 A
Escapement mechanism		yes
Type of indication		Analogue
Tariff control		Internal
Pole type		Single phase
Type of meter		Electromechanical
Tariff type		One-tariff
Packaging break		N
