

Art.No.	article name
192202013	Three-phase power meter, regenerated, uncertified

Three-phase power meter, 400V~ regenerated, uncertified, 10/30A

Technical data		192202013
Max. current (I <sub>max</sub> )		30.00 A
Calibrated		yes
Nominal current (I <sub>n</sub> )		10.00 A
Escapement mechanism		yes
Type of indication		Analogue
Tariff control		Internal
Pole type		Three conductor
Type of meter		Electromechanical
Tariff type		One-tariff
Packaging break		N
