

| Art.No. | article name |
|-----------|---|
| 192203014 | Alternating current meter, regenerated, uncertified |

Power meter 250V~ regenerated, uncertified, 10/40A

| Technical data | | 192203014 |
|-----------------------------------|--|-------------------|
| Max. current (I _{max}) | | 40.00 A |
| Calibrated | | yes |
| Nominal current (I _n) | | 10.00 A |
| Escapement mechanism | | yes |
| Type of indication | | Analogue |
| Tariff control | | Internal |
| Pole type | | Single phase |
| Type of meter | | Electromechanical |
| Tariff type | | One-tariff |
| Packaging break | | N |
