

Art.No.	article name
192204015	Three-phase power meter, regenerated, uncertified

Three-phase power meter, 400V~ regenerated, uncertified, 10/40A

Technical data		192204015
Max. current (I _{max})		40.00 A
Calibrated		yes
Nominal current (I _n)		10.00 A
Escapement mechanism		yes
Type of indication		Analogue
Tariff control		Internal
Pole type		Three conductor
Type of meter		Electromechanical
Tariff type		One-tariff
Packaging break		N
