

Art.No.	article name
196705015	LED work light with cable, 6W

LED work light 6W, with a light output of 510lm, material housing: polycarbonate (PC), cable: H07RN-F 2G1.0mm², cable length: 3m, protection class IP54

Technical data	196705015
Voltage type	AC Hz
With switch	yes
Length mm	0.5 mm
Height/depth	45.0 mm
Nominal voltage	220,00 240,00 V
Width	90.0 mm
With connection cord and plug	yes
With CEE-plug	no
Max. system power	6.0 W
Rated luminous flux according to IEC 62722-2-1	510 lm
Degree of protection (IP)	IP54
With protective cover	yes
With light source	yes
Lamp type	LED not exchangeable
Colour of light	Blue
Protection class	II
Colour temperature	2700 6500 K
