196815015	Rechargeable LED work light, 6W

Rechargeable LED work light, 6W, with built-in 1x3.7V 1800mAh 18650 lithium battery and micro USB charging unit cable, with dimmer function: 100%-40%-off for individual brightness and even longer lighting time, charging time: up to 5 hours, working time 3-5 hours, protection class: IP54

Technical data		196815015
Voltage type	AC Hz	
With switch	yes	
Length mm	297.0 mm	
Height/depth	36.0 mm	
Nominal voltage	220,00 240,00 V	
Width	45.0 mm	
With connection cord and plug	no	
With CEE-plug	no	
Max. system power	6.0 W	
Rated luminous flux according to IEC 62722-2-1	400 lm	
Degree of protection (IP)	IP54	
With protective cover	yes	
With light source	yes	
Lamp type	LED not exchangeable	
Colour of light	Other	
Protection class	II
