198700012	Timer, digital, with LCD Display, 6 programs, power reserve 150 hours, 1 channel, shortest interval 1 min.

Timer switch, digital with LCD, 6 programs, 16A, 230V~, 50Hz. back-up for app.150h, 1 channel, shortest interval: 1min

Technical data	198700012
Number of memory locations	6
Number of channels	1
Weekly program	yes
Annual program	no
60 min program	yes
24 h program	yes
Holiday program	yes
Random program	yes
Impulse program	no
Cycle program	no
Mains synchronous	no
Quartz controlled	no
Automatic switching summer-/winter time	no
Suitable for manual operation	yes
Switching preselection	no
Hour meter	no
Astro program	no
Radio-controlled	no
Width in number of modular spacings	1.0
Autonomy in hours	150
Shortest switching time channel 1	1 min
Accuracy per day	1 s
Text guidance in display	no
