

Art.No.	article name
320401082	Automatic wire stripping pliers, for cable from 0,2-6mm ²

Automatic wire stripping pliers, for cable from 0,2-6mm², for stripping of solid and flexible conductors, for wire cutting, automatic adjustment to conductor cross section, body material: fibreglass reinforced polyamide, blade: special steel, hardened and tempered

Technical data	320401082
Length mm	0.2 mm
Isolation protection 1000 V	no
Strip length adjustable	yes
Insulated	yes
Surface protection	Untreated
With wire cutter	yes
Weight	0.090 kg
VDE tested	no
Longitudinal section	yes
Round edge	yes
Depth of notch adjustable	no
Handle cover	Other
Strip range AWG	10 24
Strip range diameter	2 6 mm
ESD tested	nein
Self-adjusting	ja
Spiral cut	no
Grip design	sonstige
With impact protection	nein
Packaging break	N
