

Art.No.	article name
324200089	Phase tester, 110-250 VAC, 14 cm

Phase tester 110-250 VAC, 14 cm, color: transparent

Technical data	324200089
Total length	140.0 mm
Isolation protection 1000 V	no
Contact less voltage detection	no
Precision model	no
Low spark model	no
Blade diameter	3 mm
Cap rotatable	no
Model	Straight
Insulated	yes
Weight	16.000 kg
Antimagnetic	no
Blade length	65.0 mm
Blade width	3.0 mm
Square drive/hexagon drive over the whole blade	no
Bulged blade	no
Continuous blade	no
With anti-roll protection	no
With striking cap	no
Clamp feature	no
Square drive/hexagon drive	None
Blade material	Other
Surface protection blade	Other
Material handle	Plastic
Grip design	1-Komponenten
Packaging break	N
