

Art.No.	article name
324201080	Phase tester, 100-250 VAC, 15 cm

Phase tester 100-250 VAC, 15 cm, color: orange

Technical data	324201080
Total length	150.0 mm
Isolation protection 1000 V	no
Precision model	no
Low spark model	no
Blade diameter	3 mm
Cap rotatable	no
Model	Straight
Insulated	yes
Weight	0.030 kg
Antimagnetic	no
Blade length	60.0 mm
Blade width	3.0 mm
Square drive/hexagon drive over the whole blade	no
Bulged blade	no
Continuous blade	no
With anti-roll protection	no
With striking cap	no
Clamp feature	no
Square drive/hexagon drive	None
Blade material	Other
Surface protection blade	Other
Material handle	Plastic
Type of shaft	Hexagon
Grip design	1-Komponenten
Packaging break	N
