

Art.No.	article name
324202081	Phase tester, 100-250 VAC, 19 cm

Phase tester 100-250 VAC, 19 cm, color: blue

Technical data		324202081
Total length		190.0 mm
Isolation protection 1000 V		no
Precision model		no
Low spark model		no
Blade diameter		4 mm
Cap rotatable		no
Model		Straight
Insulated		yes
Weight		0.037 kg
Antimagnetic		no
Blade length		100.0 mm
Square drive/hexagon drive over the whole blade		no
Bulged blade		no
Continuous blade		no
With anti-roll protection		no
With striking cap		no
Clamp feature		no
Square drive/hexagon drive		None
Blade material		Other
Surface protection blade		Other
Material handle		Plastic
Type of shaft		Hexagon
Grip design		1-Komponenten
Packaging break		N
