MILANO - UAE cover plate for UAE connection sockets, suitable for 1-2 connections, with fixing screws M2,5x12mm, colour: arctic white

| Technical data                    |                              | 349502188 |
|-----------------------------------|------------------------------|-----------|
| Utilization                       | UAE/IAE (ISDN)               |           |
| Outlet direction                  | Straight                     |           |
| With strain relief                | no                           |           |
| Imprintable label                 | Without indication field     |           |
| Material                          | Plastic                      |           |
| Type of fastening                 | Mounting with claw and screw |           |
| Shielded buses                    | no                           |           |
| Shielded housing                  | no                           |           |
| With lighting                     | no                           |           |
| Impact strength                   | IK00                         |           |
| With buses/couplings              | no                           |           |
| Support ring                      | no                           |           |
| Transparent                       | no                           |           |
| Number of modules (module system) | 1                            |           |
| Mounting method                   | Flush mounted                |           |
| Assembly arrangement              | Central cover plate          |           |
| Colour                            | arctic white                 |           |
| Halogen free                      | yes                          |           |
| With hinged lid                   | no                           |           |
| Surface protection                | Untreated                    |           |
| Suitable for number of connectors | 1                            |           |
| Luster terminal                   | no                           |           |
| With dust cover                   | no                           |           |
| With imprint                      | no                           |           |
| Width of device                   | 55.0 mm                      |           |
| Height of device                  | 55.0 mm                      |           |
| Depth of device                   | 11.3 mm                      |           |
| Material quality                  | Thermoplastic                |           |
| Contact type                      | Female                       |           |
| Surface finishing                 | Glossy                       |           |
| Suitable for degree of protection | IP20                         |           |
| Anti-bacterial treatment          | no                           |           |
| Farbe (Kopp-Bezeichnung)          | arktisweiß                   |           |
