

Art.No.	article name
351200087	Universal stripper, for stripping of sheathing of round cables with the dieameter 8-13mm

Universal stripper, for stripping of sheathing of round cables by circular cut, for cable diameter 8-13mm, material body: polyamid, blade: special steel, hardened and tempered, Titan-Nitride coated

Technical data	351200087
Length mm	0.1 mm
Isolation protection 1000 V	no
Strip length adjustable	no
Insulated	yes
Surface protection	Untreated
With wire cutter	no
Weight	0.050 kg
VDE tested	no
Longitudinal section	no
Round edge	yes
Depth of notch adjustable	no
Handle cover	Other
Strip range diameter	8 13 mm
ESD tested	nein
Self-adjusting	ja
Spiral cut	no
Grip design	sonstige
With impact protection	nein
Packaging break	N
