

Art.No. article name

490464003 HK07 - rocker pad, with lens and symbol "Key", colour: arctic white matt

HK07 - Rocker pad, with lens and symbol "Key", with spring plate, protection class IP20, colour: arctic white matt

Technical data 490464003

|                                                    |                   |
|----------------------------------------------------|-------------------|
| Utilization                                        | Blind plate       |
| Height                                             | 55.0 mm           |
| Depth                                              | 7.0 mm            |
| Material                                           | Plastic           |
| Type of fastening                                  | Clamp mounting    |
| Impact strength                                    | IK00              |
| With label area                                    | no                |
| Suitable for touch sensor connector for bus system | no                |
| Scannable symbol/barrier free                      | no                |
| Colour                                             | White             |
| Width                                              | 55.0 mm           |
| Model                                              | Single rocker     |
| Halogen free                                       | yes               |
| Surface protection                                 | Lacquered         |
| Monitoring window/light outlet                     | yes               |
| RAL-number (similar)                               | 9016              |
| With exchangeable lens/symbol                      | no                |
| Material quality                                   | Thermoplastic     |
| Surface finishing                                  | Matt              |
| Imprint/indication                                 | Symbol "key/door" |
| Suitable for degree of protection (IP)             | IP20              |
| Anti-bacterial treatment                           | no                |
| Farbe (Kopp-Bezeichnung)                           | arctic white      |
