VENEDIG - double rocker pad for Series- and double change-over switch, colour: platinum

| Technical data                          |                                    | 492643185 |
|-----------------------------------------|------------------------------------|-----------|
| Imprintable label                       | Without indication field           |           |
| Material                                | Plastic                            |           |
| Type of fastening                       | Clamp mounting                     |           |
| Shielded buses                          | no                                 |           |
| Shielded housing                        | no                                 |           |
| With lighting                           | no                                 |           |
| Impact strength                         | IK00                               |           |
| With buses/couplings                    | no                                 |           |
| Nominal voltage                         | 250 - 250                          |           |
| Number of modules (module system)       | 1                                  |           |
| Min. depth of built-in installation box | 32.0 mm                            |           |
| Mounting method                         | EV000383 - Flush-mounted (plaster) |           |
| Material quality                        | Thermoplastic                      |           |
| Suitable for degree of protection       | IP20                               |           |
| Anti-bacterial treatment                | no                                 |           |
