493965002 HK07 IP44 - rocker pad with lense and symbol "Key", colour: grey mat

HK07 IP44 - rocker pad, with lens and symbol "Key", with spring plate, colour: grey mat

| Technical data                                     |                    | 493965002 |
|----------------------------------------------------|--------------------|-----------|
| Utilization                                        | Switch/push button |           |
| Height                                             | 55.0 mm            |           |
| Depth                                              | 7.5 mm             |           |
| Material                                           | Plastic            |           |
| Type of fastening                                  | Clamp mounting     |           |
| Impact strength                                    | IK00               |           |
| With label area                                    | no                 |           |
| Suitable for touch sensor connector for bus system | no                 |           |
| Scannable symbol/barrier free                      | no                 |           |
| Colour                                             | Grey               |           |
| Width                                              | 55.0 mm            |           |
| Model                                              | Single rocker      |           |
| Halogen free                                       | yes                |           |
| Surface protection                                 | Lacquered          |           |
| Monitoring window/light outlet                     | yes                |           |
| RAL-number (similar)                               | 7047               |           |
| With exchangeable lens/symbol                      | yes                |           |
| Material quality                                   | Thermoplastic      |           |
| Surface finishing                                  | Matt               |           |
| Imprint/indication                                 | Symbol "key/door"  |           |
| Suitable for degree of protection                  | IP44               |           |
| Anti-bacterial treatment                           | no                 |           |
| Farbe (Kopp-Bezeichnung)                           | grau matt          |           |
