

Art.No.	article name
831002053	Thermoelectric actuator for underfloor heating

Thermoelectric actuator for underfloor heating 230 V incl. Valve adapter diff. manufacturers, operating power 1 W, closing and opening times: approx. 3.5 min, actuator travel range 4 mm, 360 ° mounting position, first-open function, 1 m connecting cable, PVC H03VV 2 x 0.75 mm<sup>2</sup>

Technical data		831002053
Surface protection		Untreated
With coupling connection 3		no
Material quality		Thermoplastic
Material housing		Plastic
Article compression class		Pressureless
Flange compression class		Other
