

Art.No. article name

939660014 VersaHIT mono, 1 safety outlet with increased protection against contact, incl. 2m connection cable and mountable plug, colour: brushed stainless steel

VersaHIT mono, stainless steel brushed, type A, 1 protective contact socket, 220-250v, 16a, 50hz, Max. 3,400 W, 123x67x40mm (LxWxH), incl. 2 meters, connection cable and mounting connector, IP54

Technical data	939660014
Shape	EV000220 - rectangular
Height	42.0 mm
Number of socket outlets with protective contact (SCHUKO)	1
Length mm	0.1 mm
Impact strength	IK00
Colour	Stainless steel
Width	67.0 mm
Model	Built-in
Built-in depth	40.0 mm
Anti-bacterial treatment	no
Packaging break	true
