|   |                                |
|---|--------------------------------|
| Connection type                         | Screw and Push-in clamp        |
| With signal lamp                        | no                             |
| With enhanced contact protection        | no                             |
| Label space/information surface         | no                             |
| Eject-mechanism                         | no                             |
| Material                                | Plastic                        |
| Rated fault current                     | 0.00 A                         |
| Impact strength                         | IK00                           |
| Transparent                             | no                             |
| With miniature fuse                     | no                             |
| With loop through function              | yes                            |
| With function lighting                  | no                             |
| With orientation lighting               | no                             |
| Number of modules (module system)       | 1                              |
| Number of active pins (round)           | 0                              |
| Number of active pins (flat)            | 2                              |
| Min. depth of built-in installation box | 32.0 mm                        |
| Compatible with Apple HomeKit           | no                             |
| Compatible with Google Assistant        | no                             |
| Compatible with Amazon Alexa            | no                             |
| Nominal current                         | 16.00 A                        |
| Nominal voltage                         | 250 V                          |
| Colour                                  | brown                          |
| Model                                   | Socket outlet CEE 7/3 (type F) |
| Halogen free                            | yes                            |
| With hinged lid                         | no                             |
| Surface protection                      | Untreated                      |
| Number of phases                        | 1                              |
| With on/off switch                      | no                             |
| For heavy conditions (according to VDE) | no                             |
| Rotated central insert                  | no                             |
| Over voltage protection                 | no                             |
| Fault current protection                | no                             |
| Insulated mounting                      | no                             |
| RAL-number (similar)                    | 3005                           |
