

| Art.No.   | article name                                    |
|-----------|-------------------------------------------------|
| 982700006 | Fiber optical Keystone connector, colour: green |

Fiber optical Keystone connector. Compatible with Kopp 9810, colour: green  
Keystone mounting frame.

- Connections: LC-Duplex jack to LC-Duplex jack
- for polishing type: Angled Physical Connect (APC)
- Alignment Sleeve Material: ceramic
- for fiber mode: Singlemode
- for category: OS1 / OS2
- Mounting type: without flange, with metal clip, Keystone version
- Connector style: Duplex
- Working temperature: -40 to +85 °C
- Storage temperature: -40 to +70 °C
- Colour: green
- Housing material: PC, ABS
